The 2017 Rabbit Welfare Association Conference

Rabbit Interactive, Edinburgh 17th June and 18th 2017

2017 will see us at: The Royal (Dick) School of Veterinary Studies.

Once again we are offering world class rabbit specific CPD, from a host of Specialist Educators. **Don't miss out! We won't be back in Edinburgh until 2020!**

As always there are lectures and master class workshops, but this year there is the added bonus of a whole day dedicated to behaviour too.

If you have any questions please contact us via rabbitinteractive@rabbitwelfare.co.uk

Feedback from the Vetstream in 2016 showed:
100% said they would attend again
100% said it would make a difference to their day to day practice.
