

HOME

Rabbits need a large place to live in,

with a large area for exercise.

FOOD AND WATER

Rabbits need to be able to drink water

and

eat

hay or grass

at

all

times.

BEHAVIOUR

Give

your

rabbits

toys

to play

with

and

places

to hide.

COMPANY

2

Keep two rabbits together. An operation

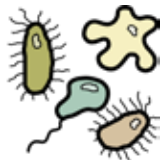

will stop rabbits having babies.

HEALTH

An injection stops rabbits getting dangerous

diseases. Please ask your vet.
